INFORMATION ABOUT CENTER SERVICES

Welcome to the Center and thank you for choosing to use our services. It is important for you to be informed about the policies and procedures governing the help you will receive here, the fees for our services, and your rights as a client. In this package there is a place for you to sign, indicating your general consent to treatment. If you are a veteran, active service member, spouse, surviving spouse, or child of a veteran or active service member (including, of course, step-children, and foster children), please let us know. We have many resources and discounted services for military families through our Hope for Heroes program.

Your Rights as a Client.
You have all of the rights established by the State of Texas governing clinical practices. These include:

- The right of consent to treatment,
- The right to seeking disclosure from your acupuncturist about his or her qualifications,
- The right to requesting a different acupuncturist,
- The right to end treatment at any time,
- The right to access the client grievance procedures,
- The right to have your clinical record kept private (see "Confidentiality" below),
- You also have the right to have any tests, procedures, and recommendations explained to you in simple terms, and you have the right to refuse such tests, procedures, or recommendations.

Confidentiality: What you tell your acupuncturist will be kept confidential and will not be revealed to other persons or agencies without your written permission, except when mandated by state and federal statutes, court order, or as part of the professional practice of this Center. We believe in an integrated approach to wellness and may share information about you to other medical and/or mental health providers within or outside of the Center in order to maximize your treatment outcomes. For further information, please see our Notice of Privacy Practices and Privacy Practices Acknowledgement, and you may request a copy. Feel free to ask for clarification about anything you do not understand. Your privacy is very important to us, and we want to do everything possible to protect it.

Fees and Payment: In addition to accepting some major health insurances, we also offer private pay. Initial acupuncture appointments are $70 and follow-up appointments are $60. If you cannot afford the regular fee, the Center may adjust your fee by taking into account your income and the number of family members in your household. Proper documentation is required for substantially reduced fees. We can provide a superbill if you wish to see a provider who does not accept your insurance. Payment of your agreed-upon fee is due at the time of your appointment unless prior arrangements have been made. We accept cash, check or credit card.

Returned Checks: A $30 fee is charged on all checks returned for non-sufficient funds.

Insurance and Other Third-Party Payments: If you wish to use insurance or other third-party coverage (managed care organization or employee assistance program) to pay for your treatment, you are responsible for providing the Center with accurate and complete information. The Center does not guarantee that your insurance or other coverage will pay your claim. You are responsible for the account balance and for deductibles and co-payments required by your insurance or third-party payer.

Insurance & Confidentiality: Please be aware that your contract with your health insurance company requires that the Center provide the company with information relevant to the services you receive. At a minimum, we are required to provide a clinical diagnosis. Some companies require additional information such as treatment plans, summaries, or copies of your entire clinical record. We make every effort to release only the minimum information necessary for the purpose requested. This information will become a part of the insurance company files. Though all insurance companies claim to keep such information confidential, we have no control over what they do with your private information once it has been released.

Appointments and Cancellations: If an appointment is missed or cancelled with less than 24 hours’ notice, you will be charged for that session. We would prefer that you give us 48-hour notice of cancellation so that we may schedule someone else in that appointment time. This charge is not covered by insurance. If you use insurance, you will be charged a $50 cancellation fee for a missed appointment or late cancellation. If you are paying privately, you will be charged the fee you normally pay for an acupuncture session (minimum charge of $20 and maximum of $50 for a missed appointment or late cancellation). If you are in our Hope for Heroes Program, there is a flat $25 fee for late cancellations or missed appointments. While we understand that situations may arise, as a nonprofit organization, it is our goal to prevent no-shows that deter our hourly care to all clients, therefore, sickness without documentation may not be a valid excuse for cancelling without a 24-hour notice. All cancellation fees must be paid upon your next visit. If you miss an appointment two weeks in a row or twice in one month, you may lose your recurring appointment time. If you miss or cancel three visits, we reserve the right to terminate services. We ask for a two-week notification of your plans to terminate treatment.
Legal Proceedings: The staff of the Center does not provide testimony in legal proceedings, including custody evaluations. However, if you choose to subpoena your acupuncturist, you agree to pay for any required preparation time, for your acupuncturist’s time out of the office, and for travel at a charge of $300 per hour.

Email Policy: We cannot ensure the confidentiality of information shared over email. Email is not a recommended form of communication with a therapist or staff member at Samaritan Center.

Emergencies: If you are a current client and have an urgent concern during business hours, we will schedule an appointment with your provider or another available provider as quickly as possible. If you are experiencing a life-threatening emergency or you or a loved one are at immediate risk of harming yourself or someone else, call 9-1-1 or go to your nearest emergency room. Talk to your provider if you believe you will need additional support after business hours.

Local emergency mental health resources (available 24 hours a day) are as follows:

- National Suicide Hotline/Veteran Crisis Line: 1-800-273-8255.
- Travis County Crisis Line: 512-472-HELP (4357)
- Hays County Emergency Crisis Line: 1-877-466-0660
- Williamson County Crisis Line: 1-800-841-1255

After-hours messages can be left on the Center's voice-mail system at 512-451-7337, but do not leave an urgent message since these messages may not be reviewed until the next business day.

Grievances: You are encouraged to talk first with our staff about any concerns you may have about our services; however, if you prefer, you may file a formal grievance with the Integrative Medicine Director within 45 days of the time you become aware of a problem. We will investigate and attempt to resolve it within 30 days. If the problem is not resolved, the Center’s CEO will investigate and prepare a written decision within 10 days. You may appeal the CEO’s decision directly with the Center’s Board of Directors within 14 days. The decision from the Board of Directors is final. You will not be threatened or penalized in any way for presenting your concerns informally by talking with staff, or formally by filing a grievance.

Consumer Complaints: To make a complaint against an acupuncture provider, you may fill out a written complaint form with the Texas Medical Board (TMB). For more information, please visit http://www.tmb.state.tx.us/page/place-a-complaint or call TMB’s Complaint Hotline, 1-800-201-9353.

AGREEMENT & CONSENT FOR TREATMENT FORM

By signing below, I do hereby voluntarily consent to be treated with acupuncture and/or substances from the Oriental Materia Medica by a licensed acupuncturist at Integrative Medicine at the Samaritan Center. I understand that acupuncturists practicing in the state of Texas are not primary care providers and that regular primary care by a licensed physician is an important choice that is strongly recommended by this clinic’s practitioners.

**Acupuncture/Moxibustion:** I understand that acupuncture is performed by the insertion of needles through the skin or moxibustion by the application of heat to the skin at certain points on or near the surface of the body in an attempt to treat bodily dysfunction or diseases, to modify or prevent pain perception, and to normalize the body’s physiological functions. I am aware that certain adverse side effects may result. These could include, but are not limited to: local bruising, minor bleeding, fainting, pain or discomfort, the possible aggravation of symptoms existing prior to acupuncture treatment, and pneumothorax. I understand that no guarantees concerning its use and effects are given to me and that I am free to stop acupuncture treatment at any time.

**Direct Moxibustion:** I understand that if I receive direct moxibustion as part of treatment, there is a risk of burning or scarring from its use. I understand that I may refuse this treatment.

**Chinese Herbs:** I understand that substances from the Oriental Materia Medica may be recommended to me to treat bodily dysfunction or diseases, to modify or prevent pain perception, and to normalize the body’s physiological functions. I understand that I am not required to take these substances but must follow the directions for administration and dosage if I do decide to take them. I am aware that certain adverse side effects may result from taking these substances. These could include, but are not limited to: changes in bowel movement, abdominal pain or discomfort, and the possible aggravation of symptoms existing prior to herbal treatment. Should I experience any problems that I associate with these substances, I should suspend taking them and call to notify my acupuncturist as soon as possible.

**Cupping:** I understand that if I receive cupping as a part of therapy, there is a risk of burning, bruising, minor bleeding, pain or discomfort, and the possible aggravation of symptoms existing prior to treatment. I understand that I may refuse this therapy.

**Acupressure/Asian Bodywork Therapy (ABT):** I understand that I may also be given acupressure or ABT as part of my treatment to modify or prevent pain perception and to normalize the body’s physiological functions. I am aware that certain adverse side effects may result from this treatment. These could include, but are not limited to: bruising, sore muscles or aches, and the possible aggravation of symptoms existing prior to treatment. I understand that I may stop the treatment if it is too uncomfortable.

*I understand that there may be other treatment alternatives, including treatment offered by a licensed physician.

*I acknowledge that my acupuncturist has the right to refuse services if I am under the influence of drugs or alcohol, to include misuse of prescription drugs.

I have carefully read and understand all of the above information and am fully aware of what I am signing. I understand that I may ask my practitioner for a more detailed explanation. I give my permission and consent to treatment.
