The Samaritan Cup Golf Classic provides opportunities for businesses to support our fundraising efforts while raising the profile of our business community. **Community partners make our work of healing hearts, providing hope, and enhancing lives possible with their generous contributions and support.** We are deeply grateful to those who have given to the Samaritan Center's mission, past and present.

Your participation in the Samaritan Cup provides affordable and accessible mental health services to all in Central Texas. We rely on community support to serve low-income children, families, and adults, as well as veterans and military individuals. Supporting wellbeing and mental health creates a more vibrant Central Texas for everyone.

This year, the tournament will look a little different because of COVID-19. **Instead of a traditional shotgun start, golfers will sign up for a safe and socially distanced tee time on one of the two days.** In this unique tournament, teams will register and play on either the 9th or 10th of November. **Following play on Tuesday, we will have a fun virtual awards ceremony to announce the winners and give out prizes,** rather than the traditional dinner. During both days, we will have contests throughout the course. The Omni Barton Creek Resort & Spa has been extremely accommodating and gracious and we are grateful to them for helping us continue our annual tournament.

***Held at the Omni Barton
Creek Resort & Spa***
